

Mendes Martial Arts: Webstore Order Fulfillment

Effective July 11, 2022

A new protocol has been put in place to expedite order fulfillment of web orders for physical items such as apparel, gear, equipment, uniforms, etc.

Beginning July 2022 after placing an order on the webstore please simply show your email confirmation (ie. from a phone or print it out) to a staff member at the school and they will retrieve any ordered items.

In the event that a purchased item is not in stock the staff member will generate an order request and Mr. Kinney will get the item needed sent to the school as soon as possible.

We hope that this new protocol will expedite the delivery of ordered items and enhance our students' training experience.

Tang Soo!
